DMF: Compliance with 2009/251/EC

May 13, 2016

We confirm that no dimethylfumarate (DMF), CAS# 624-49-7, has been intentionally added to the production process of our Butyl and Polybutadiene Rubber products. Therefore, we do not expect DMF to be present in our X_Butyl™ RB, X_Butyl™ BB, X_Butyl™ CB, Buna SE, Buna SL, Buna BL, Buna CB, Buna CB for plastic modification, Buna VSL, Buna Nd, and Taktene® Latex rubber products, apart from ubiquitous traces. Thus, we certify that those rubber products comply with European Commission Decision 2009/251/EC, [Products containing the biocide dimethylfumarate are not placed or made available on the market].
