

ARLANXEO Deutschland GmbH

To: Whom it may concern

RoHS: Compliance with 2011/65/EC

May 13, 2016

Hereby we confirm that our products comply with the requirements of European Directive 2011/65/EC RoHS.

We confirm that the restricted substances (Pb, Hg, Cr VI, Cd, PBB, PBDE) are not intentionally added to the process of our Butyl and Polybutadiene manufacturing processes. This does not exclude the presence of traces due to (among others) impurities in the components supplied by third parties and used in our production facilities. We would not expect the total incidental concentration of any of these restricted substances to exceed 0.1% (1000 ppm), {0.01% (100 ppm) for cadmium}.

The actual Butyl and Polybutadiene Rubber Products are:

X_Butyl™ RB, X_Butyl™ BB, X_Butyl™ CB, Buna SE, Buna SL, Buna BL, Buna CB, Buna CB for plastic modification, Buna VSL, Buna Nd, Taktene® Latex

Thank you for your interest in the stewardship of these ARLANXEO products. If we may be of any additional assistance, please do not hesitate to contact us.

Yours sincerely,

ARLANXEO Deutschland GmbH

This information and our technical advice - whether verbal, in writing or by way of trials - are given in good faith but without warranty, and this also applies where proprietary rights of third parties are involved. Our advice does not release you from the obligation to check its validity and to test our products as to their suitability for the intended processes and uses. The application, use and processing of our products and the products manufactured by you on the basis of our technical advice are beyond our control and, therefore, entirely your own responsibility. Our products are sold in accordance with the current version of our General Conditions of Sale and Delivery.
